

# Botanical Illustration

One Day Workshop May 26, 2023 10 am - 3 pm

Robert Amaral, Instructor

Dungeness River Nature Center at Railroad Bridge Park

## • Botanical Illustration Materials List •

*Below is a list of materials that we will be using that I recommend. Please note that if you already have watercolor paints or these specific supplies, then you DO NOT have to purchase what you already have.*

- Bring to class the flower or plant that you wish to draw.
- watercolor paints/palette/2 water containers/paper towels
- watercolor brushes: sizes # 0, 00, 000, 2, 6
- watercolor pencils
- colored pencils
- graphite pencils: 2H, HB, 2B
- pencil sharpener
- small knife or single edge razor for final pencil sharpening
- pencil sanding block
- erasers: kneaded eraser & Magic Rub eraser
- eraser shield
- watercolor paper - you will need a **smooth surfaced** paper - either a **hot press**(smooth surface, **not** a textured surface) watercolor paper or **hot press** illustration board or paper.
- small plastic ruler
- dividers
- hand held magnifying glass
- embossing tool

If you have any questions about the materials, you can email me at:
